35th CLASS REUNION NEWSLETTER REUNION ON THE RIVER MARCH-SPRING VOL 2 ISSUE 1

On another river also on Buzzards Bay there is....The Back Eddy.

Beginning between 5- 6pm, at the Back Eddy restaurant on the Westport River's edge. The actual Address is 1 Bridge Road, but using GPS, (It's a geek thing), the address shows up as 4 Cherry and Webb Lane. The name itself actually came from a dear friend of the restaurants who defined a "back eddy" as current that runs counter clockwise to the mainstream. This defines this restaurant (and our class) perfectly: A restaurant (and a FHS class) that does things a little bit differently.

The mission of "The Back Eddy" is to promote eating locally produced product. Back Eddy feels fortunate to be located at the center of so many food traditions. This area enjoys a rich heritage of working people growing, raising and catching food, as well as preparing it with a mix of culinary traditions. The ultra fresh produce from the many farms of the Southeastern area; the wide variety of fish brought to shore by New England fisherman (Ray?); wine, beer, & cheese from local artisan producers & the mixture of Portuguese influence with the oldest American cooking style, provides our kitchen with an incredibly diverse range to work with. We are excited to help our community sustain growth by

providing our local farmers & fisherman a place to showcase their talents. With our concept of thinking coastal & eating local we can provide you, our guests, with the freshest food in the area. Hence our name (Back Eddy) and why it is so important to us. We thank the best staff on the planet, our guests and our suppliers, for helping to support this vision.

To our classmates, another choice for Friday evening. Will you join us Friday

(6/24/11) evening for some great food and drink and even greater company: **YOU!** Make no reservations, just show up! (Being hungry & thirsty would also help).

Reunion Intel (411)
